Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Tuesday 04 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rather cloudy, showery start, becoming drier and brighter by afternoon.

Today:
Rather cloudy start with further showery rain. Drier, brighter weather extending from north this morning, then sunny spells and just a few passing showers this afternoon. Another cool day with fresh northerly winds. Maximum temperature 9 deg C (48 deg F).

Tonight:
Clear periods with some showers, mostly over north Highlands and turning wintry, even to lower levels. A cold night with a frost in places sheltered from the fresh northwesterly wind. Minimum temperature -2 deg C (28 deg F).

Wednesday:
A bright day with some sunshine. Scattered showers over north Highlands, wintry to low levels at first, will develop further south by afternoon. A cool day with fresh northwesterly winds. Maximum temperature 9 deg C (48 deg F).

Outlook for Thursday to Saturday:
Sunny spells and scattered showers on Thursday and Friday, wintry on hills. Drier much of Saturday but persistent rain later. Staying on the cold side with frosts at nights.
